PROFESSIONAL EXPERIENCE

THE TEAM

Strategy & Business Development Intern

Los Angeles, CA

May 2026 – Present

- Led content strategy and trend research for 7 NBA players including Klay Thompson and JaVale McGee, expanding talent visibility across 4M+ followers in international markets through targeted content planning and video production
- Edited 7 highlight reels from raw game footage, producing both 1-2 min social media cutdowns for fan engagement and 3-5 min recruitment tapes for coaches, handling key play selection, sequencing, pacing, and custom cover design
- Built 5 player bio decks featuring highlights, stats, and strengths for overseas placement and international outreach

Ball for Good

Orange, CA

President

November 2021 – January 2025

- Organized 4 community basketball events, managing logistics, game day preparations, and on-site operations for 100+ attendees per event; secured a partnership with a local high school to expand venue access and community reach
- Directed end-to-end tournament fundraising strategy generating \$2,000+, translating grassroots basketball events into community impact by partnering with KidsPlay Foundation to fund sports programs for 3 underprivileged youth
- Built the organization's website, captured event photography, and developed promotional content for social media

EST N8

Los Angeles, CA

Marketing and Global PR Intern

March 2026 – June 2026

- Implemented time zone segmentation and A/B testing across 10+ Mailchimp campaigns, evaluating 3 key metrics including open rates, click rates, and screener requests to optimize send-time strategy and strengthen engagement
- Developed a targeted buyer list for Cannes Film Festival, identifying 10 high-priority prospects and evaluating 5 buyer criteria, including company profiles, rights holdings, acquisition activity, and tailored engagement strategies
- Leveraged LLM tools to enrich missing contact data across 20,000+ records, improving database completeness

Girls Who Impact

Remote

Event Marketing Specialist

May 2024 – December 2024

- Hosted finance and consulting workshops by leading speaker panels and interviews for 700+ participants; analyzed attendance trends and audience behavior to tailor content and speaker topics, and boost session engagement by 40%
- Grew workshop participation by 300+ attendees by creating event posters and social media content using Canva
- Polished slide-making skills by building 16 professional workshop PowerPoint pitch decks and iterating with mentors

LEADERSHIP & INVOLVEMENT

Rem and Company

Nashville, TN

Consulting Team Lead

August 2024 – May 2026

- Led two 8-week client projects, managing 4 consultants across 10+ deliverables while coordinating weekly project timelines, client communication, team responsibilities, feedback integration, and final presentation development
- Developed 3 growth strategies for nonprofits across fundraising and partnerships, researching 10–15 donor prospects, 4+ grant opportunities, and 7+ media tools to strengthen brand visibility, engagement, and partnership development
- Built a digital growth strategy for a client, optimizing website messaging and analyzing SEO metrics and traffic trends

Computational Cognitive Development Lab

Nashville, TN

Research Assistant

January 2026 – May 2026

- Maintained the participant database by tracking family information, outreach activity, and follow-up timelines
- Increased study participant enrollment by 15% through conducting 60+ targeted parent outreach calls/emails weekly
- Led in-person outreach at a local science center, engaging 10+ families per event and screening potential participants
